“ We express our deepest sympathy and condolences to the family and friends of Adele. Our hearts are heavy with sadness. It is our extreme loss. Adele enriched the lives of so many. She was a loyal and giving friend, devout Christian and spirited woman. She went about her life with determination and fervor; yet, she always took time to inquire about others' health and wellbeing. She made the ordinary appear quite extraordinary and never failed to see the good in people. Adele will be missed. You only had to spend a few minutes with her to get a sense of her ability to make you feel like as though you were the most important person in the world. She listened. Intently. She described her family in such coveted terms that it made you long to remember, or be with, those you love. Adele understood priorities. Family and friends were what mattered most. She was the embodiment of love and her spirit remains powerful within us. As Bernice's best friend, Adele was embraced as a family member and she graced all with her presence as we celebrated milestones over the many decades. Adele is in God's good grace and peaceful light. Our thoughts and prayers are with her family at this time. John 14:1-3 Don't let your hearts be troubled. Trust in God, and trust also in me. There is more than enough room in my Father's home. If this were not so, would I have told you that I am going to prepare a place for you? When everything is ready, I will come and get you, so that you will always be with me where I am.
