“ Deepest sympathy for Al and his family. You are in my thoughts and prayers. I live in the neighborhood and saw Al many times in passing by his house either by car or while walking my sons dog. I also enjoyed Fourth of July- the celebrations with fireworks by his house- as many neighbors gathered together for a neighborhood fireworks display. Al was very a wonderful and caring man-- loved very much . Thank you to Al for his service -protecting our country and to his family for the sacrifices while he was serving our country.
