“ My best memory of Uncle Henry and Aunt Julia were their Halloween parties. They were the best as a child. We had the haunted trail which was I think in the attick space and the party was filled with music, lots of candy and games. I loved them! Oh and the Christmas cards with coin inserts! I couldn't wait to get that Christmas card. Most of all it was the encouragement to continue playing music throughout my high school years, which I did. When I had my kids, both Aunt Julia and Uncle Henry came to their sacraments which meant a lot to Mark and I - Christenings and 1st communions. Thanks for being in my life. We will miss you.
