“ *To the whole Orsi and Wojcik families, we are so sorry for the loss of your husband, father, grandfather. He was such a great guy, a staple at St. Rene and a model of service to the community. It will not be the same to go to mass and not see his smiling face giving out communion. We hope you can take comfort in the legacy he left for his family. It's something we all should aspire to. May he Rest In Peace.*
