“ *Mrs. Rone, Mark, Rachel, and Jason, I am so very sorry to read that Jeremy has passed away, learning this information randomly. I was getting funeral details for another person at Foran. You have my deepest condolences and prayers during this difficult time. It's so hard to believe. I think I was his first babysitter, hired shortly after Jason and Jeremy were brought home from the hospital, working as a mother's helper. What sweet, gorgeous babies the twins were. Our paths have not crossed in years, but I remember the love your family had. May Jeremy's memory be a blessing and he RIP.*

I'll never forget Jeremy . The great times we had sitting around my kitchen table just talking about whatever came up , or if he was working in the neighborhood , he would call and ask me to make lunch for us . He was like a son to me. God has you in His arms now , you're safe . Rest in peace , I love you .
