“ I met John in 1966. We attended rival high schools. He went to De La Salle and I went to St. Pats. He grew up on the southside and I was a northsider. Despite our differences we became great friends and stayed friends for over 50 years. We both had a love for Chicago sports and attended many Cubs, Sox, Bears, Bulls, and DePaul games.. My condolences to his family. I will miss him.

“ To the family of John Scelonge:

I've known John for approximately forty years. Even though I wasn't from "the neighborhood" my friends who were and John welcomed me warmly. Oakley St. became my second home thanks to them.

John was a gentle giant. He almost always had a smile on his face and something nice to say. However, you knew when he was ticked at something or someone, and he didn't hide it. But those times were few. John is now with "Bugsy, Rico, Collette et al."

Please accept my sincere condolences on his passing. He will be greatly missed. May God watch over him and you.
