“ Our dear friend Mary was such a light! In her over 13 years working at Bridgeport Child Development Center, she created countless memories with the children and staff. Mary could always be counted on to lend you an ear, give you support or share her loving sass and humor! Mary was a dedicated employee and took great pride in her job. She was an active part of our work social committee and looked forward to participating in our staff activities, which highlighted her creative ideas.
Personally, Mary was a dear friend and sweet soul who I will always remember fondly. I am blessed that she touched my life.
