“ I am very sad to hear of the passing of my cousin Rick. I knew him well as a child, but not so much as an adult due to the different roads our lives took. I was very fond of Rick and wish I had the opportunity to know him better as an adult, especially after reading all the wonderful words written about him. My sympathies go out to Michelle, his wife.

“ Rich was always front and center, the first to arrive and lend a helping hand at all of the Garfield Ridge Neighborhood Watch meetings and events.
We will keep a seat open in the front row because we know you will still be with us.

Rest in Peace

“ On behalf of the seniors, staff and board of the Southwest Side Seniors Service Organization which operates the Garfield Ridge Satellite Senior Center I would like to offer our condolences on the loss of Rich. Rick started coming in to the senior center during the time we were open only for boxed lunches to take home. He would come in and pay the \$2.00 suggested donation with a \$2.00 bill! So he stood out.

As he discovered that we needed Board Members he offered to help out and joined the Board in January of 2022. During that time he became an asset to the Board. He proved to be one of the nicest and most helpful person to us here. He had just been elected our Board President when we found out about his passing. He will be a great loss here from the Board and his face and friendly personality will be missed by many.

Please know that everyone here is wishing you peace to bring comfort, courage to face the days ahead and loving memories to forever hold in your heart.

“ Richard Techman, hard to believe he has passed. For some reason he was always known to me as just "Techman!" While living in the city of Chicago about 29 years ago I remember my doorbell ringing, sure enough it was "Techman." Always with some news, gossip etc to tell my husband Phillip Bianco Jr. when he was the elected Republican State Representative of our area. "Techman" was a loyal friend to my husband to his passing. Last time seen in person is having lunch in Orland Park this year along with my husband Phil & another loyal friend, Terry Austin. Also remember Rich & Michele's wedding date as it is the same as my husband & I, July 25!!! God Bless him for all his community & friendship involvement.

“ As a news reporter, I had contact with Rick going back to the 1980s. One thing that will always stand out for me is his consistent, unwavering dedication to the community. More people in this community, and this world, need that sort of quality.

“ The first thing that comes to mind when I think of Rich, is that he was a very kind person... always polite, and thoughtful. I'm glad he married my sister in law Michele, for she deserved someone to make her happy, and Rich did just that!!!! They were a perfect example of what marriage is all about... You will be sorely missed Rich... RIP ...until we all meet again.
